WHY THIS PROGRAMME MATTERS TODAY

In today's sales environment, buyers are more informed, expectations are higher, and response speed matters more than ever. AI can help sales professionals research prospects, personalise outreach, prepare stronger proposals, and make better decisions, but only when used strategically.

This 2-day programme equips participants with practical AI-powered selling techniques to improve prospecting, customer insight, sales communication, objection handling, and deal conversion while maintaining authentic human relationships.

WHO SHOULD ATTEND

- Sales executives and account managers
- Business development professionals
- Sales managers and team leaders
- Customer-facing professionals involved in client engagement
- Entrepreneurs and business owners looking to improve sales productivity with AI
